## About Us

Goldenway Electrical Trading is a limited liability company incorporated in the emirate of Dubai in 2010. The company's activities include trading on all electrical materials, sanitary materials, Hardware, Tools & Air-Conditioning. Goldenway has the unique ability to provide customers with complete solutions from one source and this differentiates it from other suppliers. By taking care of any and every requirement for all types of projects, Goldenway ensures all quality, time and logistics parameters are fully met, taking the stress off busy project managers. Through extraordinary personal service, attention to detail, and total commitment to customer needs, the company has a distinctive edge when it comes to supplying bulk material requirements and critical site supplies, and in meeting project shortages.

Our well experienced sales team is backed by an excellent management, that offer only high-quality products & services at a very competitive price. Our prompt delivery system has always assured complete client satisfaction. With over 12 years of experience in supply of specialized cables and electrical accessories, we have succeeded in extending our support to customers all over the UAE. Our mission is to deliver, a leading-edge solution to our customers by providing the widest range of products for applications in different industrial sectors.
